

PLR300 – Cutter/Pliers Set...

Great set for any mechanic in the workforce

- 86CF** – High Leverage Diagonal Cutter
- **PowerEdge™** technology provides superior cutting strength and increased durability.
 - *Tapered blades* increase power at the joint to cut thicker wire and provide finesse at the tip for thinner wire.
 - *Ergonomic contour cushion grip* handle has 24% increased cutting leverage for supreme comfort and control.
 - *Differential Heat Treat* produces strength and toughness in desired areas.
 - *Induction Hardened* edges for durability and long life.
 - *Natural steel finish* has tough and protective clear coating to help protect against corrosion.

- 97CCP** – Needle Nose Pliers
- *Long, slim jaws*, (3-3/16”) and flush rivet joints enable pliers to reach into recessed areas. 8” overall length.
 - *Rounded jaw edges* minimizes nicks to wire when making loops.
 - Jaw tips are *perfectly aligned* and feature *machined* rather than stamped teeth for precise gripping.
 - *Natural steel finish* has tough and protective clear coating to help protect against corrosion.
 - *Cushion grips* provide comfort, control and power.

- 57AHL** – Lineman's Pliers
- *Machined Cutter Heads* for perfectly matched blades.
 - *Induction Hardened Head* for extra strength and durability.
 - *Gripper Teeth* behind the head can be useful crushing area.
 - *Cushion grips* provide comfort, control and power.
 - *Natural steel finish* has tough and protective clear coating to help protect against corrosion.
